

PERSONAL PROFILE

Anupama M is the Currently working as an Assistant Professor in Physics and has five years of teaching and research experience.

ACADEMIC PROFILE

- M.Sc Physics : Kannur university
- B.Ed : Calicut university.
- SET ,NET

CAREER PROFILE

- Five year and 10 month experience as permanent faculty of Physics, NSS College Manjeri(21-02-2014 onwards)

PARTICIPATIONS / PRESENTATIONS

1. Refresher course in Experimental Physics, HRDC University of Hyderabad, October 24 to November 06,2019
2. Faculty Development Programme in Novel Strategies and Applications in Organic Chemistry, NIT Calicut June 17to June 22,2019.
3. Faculty Development programme conducted by Teaching Learning Centre, IIT Madras .Organized by Department of Higher Education, Govt .of Kerala through the programme fostering Linkages in Academic Innovation and Research from 16 to 25 January 2019.
4. 87 th Orientation programme conducted by UGC –Academic Staff College, University of Calicut,October 23 to November 20,2014.
5. Workshop on Quantum Mechanics PTM Govt. College Perinthalmanna , 4-5 Dec 2019.
6. National seminar on ‘Fundamentals of Nuclear and Particle Physics’ ’CKGM Govt. College Perambra Dec 13-14 2018.
7. National workshop on Foundations of statistical and Quantum Mechanics at SARBTM Govt. College, Koyilandy. January 2017.
8. Seminar on International year of light at Marthoma college, Chungathara September 2015.
9. National seminar on Recent developments in Physics at NSS College, Ottappalam October 2015.
- 10.Seminar on general theory of relativity and relativistic Electrodynamics at Govt .college, Madappally November 2015.
- 11.Workshop on Microscale Experiment at NSS College, Manjeri, January 2015.
- 12.International seminar on Recent trends in Physics at Govt college Kodanjeri January 2015.
- 13.Seminar on Bohr atom model at PRNSS college, Mattannur, October 2015.
