

NSSCOLLEGE MANJERI
DEPARTMENT OF MATHEMATICS
EVENTS 2021-22

Various activities of Department of Mathematics are the following.

1 π Day Celebration

π day was celebrated on 15th March at 2 pm in 2022 in the Mathematics Department. The seminar hall and college entrance were richly decorated by quotes on colourfull chart papers and other decorative materials. All the faculties and students of this department and students from other departments were present there .

The programme started with a silent prayer. Savitha Sairam ,a second year mathematics student of the department, welcomed the gathering and Dr. Sreelatha MN, HOD of the Mathematics Department gave an introduction about the celebration. College Principal Dr. Vattavila Vijayakumar inaugurated the celebration and IQAC Coordinator Dr. Yamuna offered a felicitation.

After the formal events ,there were a video presentation about the life history of SREENIVASA RAMANUJAN. Quiz competition and Rubik's cube competition were also conducted. Shameel, second year maths student, was the quiz master. Akanth (first year B Sc

chemistry) won the first prize and Ajay (Third year B Sc physics) won the second prize. Deepak K (First year BSc physics) won the Rubik's cube solving competition.

**The programme ended with a vote of thanks .
Navaneetha, second year BSc mathematics student proposed vote of thanks**

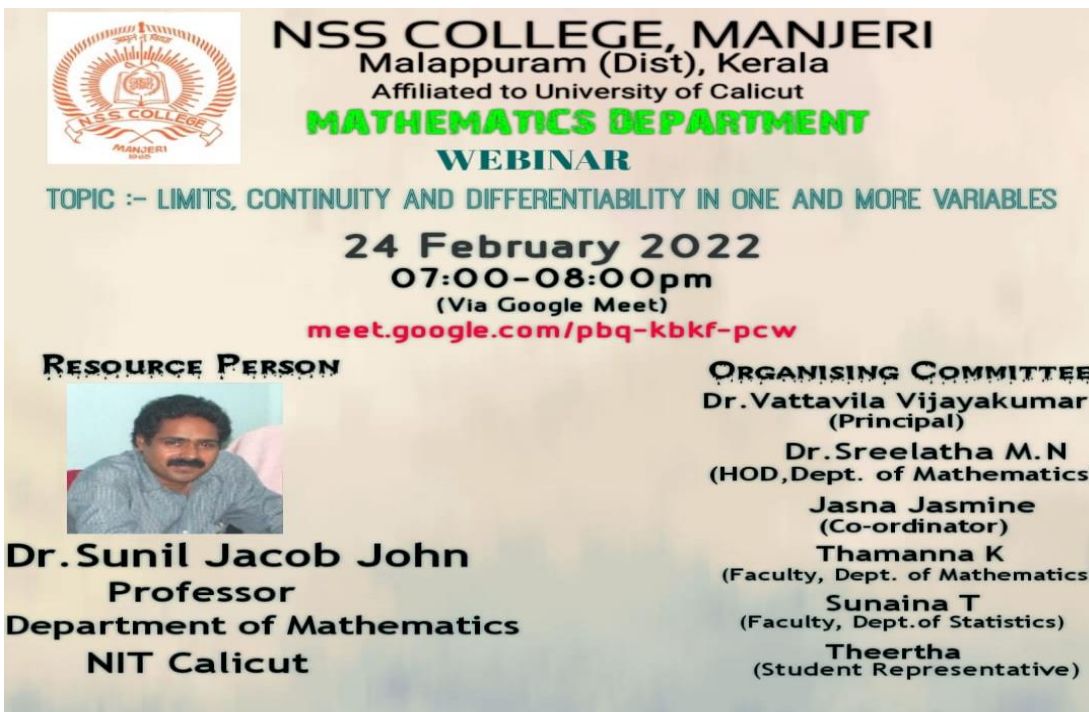

2 Webinar

NSS College Manjeri is a premier higher education institution in Kerala, under the able management of Nair Service Society. NSS College Manjeri is having a glorious academic track record of nearly 57 years. Department of mathematics started in this college in 1980. As a part of supplementing academics in this pandemic period, Dept. of Mathematics is organizing Webinars. This department organised a webinar on "LIMIT, CONTINUITY AND DIFFERENTIABILITY IN ONE AND MORE VARIABLES" on 24/02/22 through Google meet, was handled by DR. Sunil Jacob John, Professor, NIT, Calicut. The resource person introduced the concept of Limit and Continuity in a simple manner, which is very useful to the students. Dr. Sreelatha MN, HOD gave an introduction and Theertha, student representative proposed vote of thanks. The link of the google meet was meet.google.com/pbq-kbkf-pcw. The webinar started at 7.00pm and came to an end by 8.00 pm.
